Our association aims to promote cultural, sporting, educational, industrial, and other exchanges between the citizens of Sabae and people from all over the world. We strive to create a city and a community that can respond to the international society and contribute to mutual understanding, friendship, goodwill, and international peace.

Our association is funded by subsidies from Sabae City and membership fees. Activity plans and budgets are decided by the Board of Directors, all of whom are volunteers elected by the members.

Our members organize events that provide a sense of comfort to foreign residents living in Sabae City and nearby cities and towns, and we aim to support their daily lives.
